

# BUSINESS CONTINUITY POLICY

**Ascenty**

A Digital Realty and Brookfield Infrastructure JV

Responsible for ensuring that mission-critical activities for the organization's operation have business continuity plans in place, always leading to continuous improvement of the PCN cycle, legal regulatory and the 3 pillars of continuity:

- ✔ People: Development of plans to protect people through threat mapping.
- ✔ Processes: Mapping, identification, mitigation and contingency plans of business parts to avoid unscheduled downtime.
- ✔ Technologies: Identify the company's technology dependencies and adopt redundancies necessary for the business, always aiming at cost-effectiveness and risk control for the business.
