

ASCENTY QUALITY POLICY

Ascenty is committed to ensuring customer satisfaction, continuous improvement and the performance of its quality management system, and guides its decisions based on:

- ✔ Establishing and maintaining a quality management system;
- ✔ Developing businesses based on technologies in service solutions for Data Centers and telecommunications;
- ✔ Empowering employees, leveraging education for the continuous improvement of the services provided;
- ✔ Treating clients as a business priority, providing quality services;
- ✔ Complying with and following the rules applicable to the business.
