RIO DE JANEIRO CAMPUS

Rio de Janeiro Campus

The city of Rio de Janeiro is the second largest local economy in Brazil. Thus, it attracts many investments from several companies from Brazil and abroad.

To meet the IT demands of this economic powerhouse, Ascenty built a data center campus in Rio de Janeiro. Totalling 13 MW power capacity and more than 113,000 sq ft of space, this campus provides all the IT infrastructure you need to grow your business.

Avenida Coronel Phidias Távora 513 – Pavuna,
Rio de Janeiro – RJ, 21535-510

Certifications

To ensure the operational continuity of your business with the quality, reliability and uptime you need, Ascenty's expertise has been evaluated, recognized and certified by the industry's leading global certification bodies.
